# Fire Pit

## Fire Pit Permit Process

The permit request is made through our Customer Service Permit Call Centre by calling 416-392-8188

### Client selects a facility with a fire pit - Site is a designated fire pit (fire approved annually)

Step 1. Customer Service will review site availability.

Step 2. If available, the permit and insurance is issued to the client. Payment and clients signature is required at time of booking.

Step 3. Permit process is complete.

### Client selects a facility with a fire pit - Site is NOT designated as a fire pit (NOT pre-approved by Toronto Fire Services)

Step 1. Customer Service forwards by Toronto Fire Services Form & Parks Protocol Form to customer to complete

Step 2. Once approved by Toronto Fire Services, Customer Service will then contact the client and issue a permit.

Step 3. Permit must be signed and paid.

Step 4. Permit process is complete.
