

Division Responsible	Location	Issue	Potential Actions
14 Division	Laneway between 365 & 363 Gladstone Ave.	loitering by strange people in laneway who appear to be peering into windows and casing properties	monitor laneway
14 Division	Laneway south of 361 Gladstone Ave.	reports of people breaking in to the garages there	monitor laneway
14 Division	48 Havelock St. Apartment Complex	loitering by strange people, including in back yard	add property to list of hotspots to actively monitor, routinely visit site while on patrol
Parking Enforcement	Gladstone Ave., in dead end section north of Sylvan	parked cars block access to laneway	monitor and enforce
MLS	Laneway south of 361 Gladstone Ave.	garbage in laneway and next to garages	clean up public sections of laneway, investigate identity of dumpers, enforce garbage violations on private properties
MLS	343 Gladstone Ave.	Garbage stored improperly making a mess, lots of rats living under front lawn	investigate and enforce
MLS	1044-1054 College St. W.	Long grass & weeds	investigate and enforce
MLS	First laneway on Gladstone north of college, west side	garbage dumping	clean up public sections of laneway, investigate identity of dumpers, enforce garbage violations on private properties
MLS	1004/1006 College St. W.	boarded up property needs better maintenance, e.g. boards needed on 2nd floor windows, graffiti, garbage, weeds	investigate and enforce
MLS	6 Havelock St.	garbage and couch dumped on sidewalk, long grass & weeds	investigate and enforce
MLS	10 Havelock St.	BBQ dumped on sidewalk	investigate and enforce
MLS	48 Havelock St. Apartment Complex	2nd floor windows not boarded up at the back, access is possible from back porch/stairs	double check with MLS on legal requirements for boarding up 2nd floor windows
Parks	Laneway running east from northern terminus of Gladstone Ave., at south-east end of Dufferin Grove Park	Concerns re: children safety; cars that are backing up cannot see kids that run out into laneway	in short-term, install temporary snow fencing along laneway, in long-term secure capital funds to build a proper fence.
Parks	Dufferin Grove Park	no washrooms at south end of the park	can funding be secured to build an additional washroom?
Parks	Dufferin Grove Park	Washrooms at north end of park are filthy	Arrange for cleaning, monitor washroom routinely to ensure it meets hygenic standards
Forestry	108 Havelock St.	City tree on southern Sylvan Flank of this property has large dead branch overhanging roof	remove branch and prune tree
Forestry	South side of Sylvan Ave, a few meters west of Havelock	1st tree west of Havelock on south side of Sylvan has big crack running down it	Inspect tree and take any appropriate actions to ensure it is healthy and safe
Toronto Hydro	Lindsey Ave, a few meters west of Havelock	first lamppost west of Havelock on Lindsey burnt out	replace bulbs
Transportation	Gladstone Ave., in dead end section north of Sylvan	parked cars block access to laneway	improve signage, e.g. "Do not block laneway" sign
Owner	48 Havelock St. Apartment Complex	loitering by strange people, especially in back yard	convey tenants desire for no trespassing sign to owner
Owner	48 Havelock St. Apartment Complex	2nd floor windows not boarded up at the back, access is possible from back porch/stairs	convey tenants security concerns to owner
Owner	48 Havelock St. Apartment Complex	poor visibility in back yard	convey tenants desire for better lighting in back yard, possibly have lights activated by motion detectors
