DANCE

Everyone loves music. From folksy singers to bouncy Dj's you and your kids can come out and groove in the grove! Bring your dancing shoes, or at least remember where you put them when you kick them off! Also in the evening watch the trees for some special silks performances up in the sky!

ART

We will have an art area with pieces by local artists, and there will be a canvas you can paint on, too! Wandering performers will walk through the grounds throughout the day to give PUREWAWA a festive carnival touch. Watch out for stilt walkers, fire dancers, and maybe even a touch of magic!

BUS STOP

We will have a small village of information booths and tables from various community and progressive organizations. Please check out their information and encourage discussion of these topics with your children.
